DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF AUGSBURG TO FRANKFURT, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

Indifference embraces the planet too much. May there be no trace of indifference in you, so that My Plan may not be interfered with nor hindered by anything indifferent coming from you.

To some degree, you must consciously work to banish indifference from your consciences because through indifference My enemy nurtures in humankind the lack of love and of attention for others, for the brother or sister they have beside them, day by day.

A disciple of Christ works every day to banish from themselves any degree of indifference because if something indifferent is within the disciple, they will have great difficulties to go beyond themselves, in spite of being right in something.

Therefore, I invite you once again to reflect so that within yourselves you only seek the truth, which will forever free you from the chains of indifference and lack of love.

I have already taught you how to experience My Love, do not forget it.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
