DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I knock on your door: may I enter?

Let Me be with you and talk to you about the wonders of God. I am here to listen to you, know that you will have all My Comfort. Be deceived no longer, take My Hands to proceed in the path of sacrifice.

Be still and in silence tell Me what you need. Disturb your heart no longer, only concentrate your gaze on My Sacred Heart and feel the beating of My celestial rhythm. Stay in Me and seek to live the great experience of redeeming love with Me.

Seek the warmth of My eternal company and see everywhere the light of My Omnipresence. Meet with your friends to talk about God and only do this in perpetual prayer. Nourish yourself with My Word of Life and before any need of help, call Me because I will listen to you.

Stay in My Kingdom, live in My Kingdom and feel yourself as a part of the infinite ocean of My Mercy. Empty your heart of the past and you will allow that the chains be liberated from you so that the light of the true being may emerge. Think of Me. Do all in My Name so that your actions may be sacred and charitable for those who need relief.

I Am here, calling at the door of your house. I Am arriving in the silence and in the Glory of God, your eternal Celestial Father.

Under the Good of God, be blessed.

Thank you for living My words with the heart!

Christ Jesus, the Shepherd.
