DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

What the world offers you for these important dates of the Nativity of the Lord is only a distraction and more illusion, to the point that human beings consume all their resources into something that is materially temporary and not beneficial, because it is not shared with anybody.

For all these people, who on these dates of greater internalization should be meditating upon and contemplating the Birth of the Christ within themselves, I ask that you place them in your prayers so that these souls may awaken and be withdrawn from the world illusion, promoted by the fantasy of consumerism and the ignorance of the consciousness.

On these dates in which the inner Christ should, for a moment, take first place in your lives, I invite you to an awareness so that humanity, in part, may be aware of the spiritual meaning of the descent of universal attributes upon the needy human consciousness.

I invite you to truly participate in the Rebirth of Christ so that more souls may have the happiness of transforming their lives.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
