DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

From His birth to His adult life, Jesus had full knowledge of universal life and the deep life of each being. Knowing the purpose of humanity on Earth, His Heart was always supported by the hope of the arrival of a new life, of the manifestation of a New Humanity.

The Truth of God lived within Him and during the Calvary it was the basis of the wisdom that awakened Christic Love in His Heart and renewed the Love of God.

Today, child, let the revelations of this time be for you the wisdom that comes as a basis for the calvary of the world and, above all, for the awakening and renewal of Love.

Receive the sciences that you are taught with gratitude, the higher knowledge about which humanity has always been so ignorant to.

Let wisdom awaken the certainty in you of eternity and of the redemption of all souls so that with this Truth, alive in your heart, you are able to make the trials of this end of cycle small.

Ennoble and strengthen your heart with wisdom and knowledge. Let higher Truth draw closer and, with it, what you truly are; in this way, you will have firm foundations on which to walk toward your return to God.

Your Father and Friend,

The Most Chaste Saint Joseph
