Daily Message received during the journey from Budapest, Hungary, to Munich, Germany, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Place your spiritual heart within Mine and I shall dissolve all your bitterness. Thus, you will continue to offer Me your life for a reason and for a greater motive, capable of having you surrender, day by day, so that My Project of Redemption may be fulfilled in humanity.

Place your spiritual heart within Mine and there will no longer exist wounds nor fears, for I will strengthen you in every moment. Neither temptation nor anguish will touch your being, because in faith and by faith you will know how to walk firm toward fulfilling My Designs.

Place your spiritual heart within Mine and I will teach you to love deeply so that your soul may grow within the School of Love that I have for each being.

Place your spiritual heart within Mine and you will attain peace. Daily troubles will no longer disturb you and you will receive the joy of living in God and of fulfilling His Will.

Place your spiritual heart within Mine and remain in My Peace, for all will be well.

I thank you for keeping My Words in your Heart!

Who blesses you,

Your Master and Lord, Christ Jesus
