Daily Message received in the city of Frankfurt, Germany, transmitted by the Glorified Jesus Christ to the visionary Friar Elías del Sagrado Corazón de Jesús

My Divine spiritual Blood continues to pour out upon the world as great and infinite codes of light, and the chalice of the heart of some conscious beings is offered to guard and protect the spiritual legacy of your Master and Lord.

My Divine Blood brings the great justification that humanity needs in order to be before the Creator and thus, to be able to repair all sins committed.

The humble hearts that offer themselves as chalices and recipients of the Legacy of Christ are the ones who will carry with them the experience of love and devotion that will be radiated to the entire Earth.

Therefore, it is important to follow the steps of the Lord so that within the human consciousness, everything is transformed and elevated.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Jesus Christ.
