DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Just as the Love of Christ expanded on the Cross, and His Gaze of Mercy touched the depths of the Heart of God in order to awaken this Celestial Source on Earth, you too, in this time, child, must let love expand within you.

In spite of the difficulties, the atrocities experienced by beings in their nations, peoples and families, in spite of the chaos that tries to expand upon the Earth, let your gaze always be merciful.

Let your heart discover the potency of the Love of God, which is beyond any imperfection and difficulty, is beyond chaos and evil, and transforms all things.

The time has come to tread the path of calvary, in this time, carrying the cross of human indifference for the Plans of God, and transforming this cross into the renewal of Divine Love in each step.

Understand love as your mission, understand the cross as your path and allow your being to be an instrument of God in this time.

The Creator does not seek perfect instruments; He seeks those who, in spite of being imperfect, want to learn to love and to forgive, want to dispose their heart as an empty chalice where God can pour in His codes of Love and of Redemption.

In this time, when you recall the steps of your Lord, let Him inspire you and renew the purpose of your heart, elevating your goals and aspirations so that you will be willing to be a New Christ, a new miracle of your Creator, of His infinite Love, which changes and transforms all things.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
