DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Gathered in the Love of God so that, in this new celebration of the Nativity of the Lord your hearts may overflow with joy, for the inner Christ shall again contact each one of the souls that are willing to be open for the arrival of Christ.

My children, this is now the last time and the final cycle for being able to forgive and reconcile with the Heights.

For this reason, I invite you to enter into constant communion with My Son so that, in this inner communion, the doors to sorrow and perdition close, in this cycle in which the whole of humanity has the opportunity of celebrating the rebirth of Christ within each being; so that there may be a better planet and an elevated humanity which can represent the Plan of God on Earth through the experience of forgiveness and redemption, attributes offered by Heaven.

Dear children, tell the world there is time to reverse the planetary situation, and that the Spiritual Hierarchy shall come again to assist all, to rescue humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
