DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My Merciful Heart, at three in the afternoon, generates an explosion of Light and of Graces over the hearts that await My Divine Mercy with faith and trust.

But My Powers also are poured over the hearts that are blind in spirit and that cannot see the greatness of My Humble Presence. I need all of the flocks. For this, in this era, My Heart will make use of the brave ones to be able to reach the essences that are most distant from the path of the spiritual redemption.

Now has arrived the moment to revert the evils that the world awakens and which humanity, asleep in its majority, embraces as if they were sheep without a shepherd.

For this My Mercy comes to restore the deep spaces of consciousness. My Heart is approaching with the intention of alleviating the great despair of many souls, those which lack peace because they lack the prayer of the heart.

My divine wish is that all may be able to glimpse that the Great Lord. He who belongs to them from the beginning is returning, but this time to give testimony to the true presence of God and to the Greater Life.

For this the good flocks must unite themselves as only one in order to help Me, removing from the critical thoughts indifferences, opinions and judgments, because it will cost the soul that may not be willing to be empty of itself a double effort to find peace.

It is time to die to oneself and it is time to see the reality that anguishes the great number of hearts that are lonely, as in a spacious desert of loneliness and thirst. The Source of Life that represents the Sacred Heart of Jesus comes to quench your spiritual thirst and It wants for humanity to repair the Blessed Heart from the very serious offenses that hurt the Heart of the All Powerful.

If there is a true and permanent response on the part of the people who pray, humanity will receive the Grace of Forgiveness, and it will have some time more of peace if it establishes the devotion towards the Merciful Heart of Jesus.

Under the Grace of the Father, be blessed.

Thank you for listening to My Words with attention!

Christ Jesus.
