**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY,  
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

On this May 13th, may your souls ask God for a Grace: the redemption of hearts, the liberation of this world, so that souls may find peace.

Today do penance and pray for the Light of Fatima to expand toward those places most in need.

Unite your voices to the divine voice of your Heavenly Mother. Unite your rosaries to Her Rosary of Light and cry out with the potency of your essences, which makes you worthy children of God.

Ignite in your hearts what makes you similar to your Creator and pray, children. Vigil, in prayer, for this world to be redeemed.

Unite to the universal and divine conditions in which Greater Laws are congregated by the prayers of all beings who, in different nations, unite to the Heart of Our Lady of Fatima.

With the mirrors of your hearts ignited and united to the Greater Mirror of your Divine Mother, allow a Supreme Grace to be established and to give the world an opportunity of liberation, redemption and peace.

Today, pray for peace.

Your Father and Friend,

The Most Chaste Saint Joseph
