DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

To repair the sickness of the world, you must serve, pray and transform your own inner world, approaching more and more to the Heart of God.

In order to transform your own heart, to set it free from the evils and harassments that surround it, you must serve, pray and create unity with your brothers and sisters, because in these final times, children, what will strengthen you and keep you standing will not be anything individual. It is the love between brothers and sisters, fraternity and unity that will give you the strength to continue forward.

It is for this reason that I come today to extend My graces over this world and thus help you to awaken in your hearts the gifts of love, fraternity and unity, which will begin to be born within you and, little by little, will expand to the whole planet.

I come to offer all Light-Communities, Light-Nuclei and service groups the possibility to, every two weeks, on Thursdays, perform with Me the "Group Effort of Saint Joseph", a day that will be dedicated to repairing love, fraternity and unity in the human consciousness, in which all of its actions will have a conscious aim.

For this, in the Communities and Light-Nuclei that adhere to My request, you will gather in the morning to pray and sincerely offer the day to God; then you will share the first meal of the day and together begin to perform a service. Whether it is in the maintenance of physical spaces, or close to the Kingdoms of Nature, you will cover the needs that will be presented, and you will offer to God each moment of service together with your fellow being for the reparation of love, fraternity and unity in human consciousness.

May this be a day of reconciliation and graces in which, for a moment, you will come out of yourselves to be united to your brothers and sisters and spiritually serve this planet.

At noon, you will pray with Me, and I will listen to you and take your prayers to the Feet of God to intercede for the most necessary situations of this world, above all, those that emerge from the lack of love, fraternity and unity amongst beings.

The service groups that wish to join this proposal and who cannot approach a Light-Community or Nucleus, can gather in their towns to serve in some place in need and together will offer this service to My Chaste Heart. May this moment serve to strengthen the unity amongst group members and dissolve any disagreement and lack of love that may be breaking this unity amongst hearts. At midday you will also pray to My Chaste Heart, offering your service, and you will thank God for the blessings that He pours out upon the world.

Within the Light-Communities and Light-Nuclei, this will be an entire day united and offered to God; the life that you have chosen to carry forward, in which group unity is what sustains you.

Thus, children, My grace will be upon you and, more than that, upon the whole world.

Those who offer the Rosary for the Salvation of the Kingdoms of Nature, before the Devotional to the Most Chaste Heart of Saint Joseph, will be extending this offer of love to all life. Thus, unity will be built, not only amongst human beings, but among all beings, of all the Kingdoms.

You have My blessing for this.

As of now, I thank you and I bless you for choosing to serve this world.

Your Father and Friend,

The Most Chaste Saint Joseph
