**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

In spite of the somnolence and indifference of humankind, if an awakened soul offers their heart to the Father, God will send His deepest Love and His Mercy to the world.

May hearts be consolidated in their own surrender, in the emptiness of self and in renunciation so that, through their offering, the Lord may transform and redeem this world.

Pray and never lose hope. May the surrender of your lives be each day more sincere and more truthful.

Let the truth which emanates from your hearts be enough so that each day more you may be instruments of God and of His Grace.

May the trials and challenges every day forge a new human within you because, in the face of difficulties, you must be renewed in love and in emptiness, and be renewed in your offers, regardless of the return you may receive from this world.

Live each day for a spiritual purpose. May your joy and wholeness be in serving and loving more and better each time; thus, you will be able to be instruments so that the Creator may institute a new life pattern in which the most important thing is to live under His Grace and have His triumph of Love.

You have My blessing for that.

Your Father and Friend,

The Most Chaste Saint Joseph
