Daily Message received during the journey from Frankfurt to Berlin, Germany, transmitted by the Glorified Jesus Christ to the visionary Friar Elias del Sagrado Corazón de Jesús

As the journey to Berlin continues, and before the pilgrim group arrives in that city, the foundations of My Mercy for this next stage begin to be established in the inner planes in order that the fallen soldiers may begin to feel and recognize the Christic Light which will shine again in the abysses of the Earth, so that those souls receive Pity and Mercy.

A wall, similar to the old Berlin Wall, but in the inner planes, will be destroyed so that there no longer exist two states of consciousness, that is to say, so that error and indifference may be transmuted.

Then, your Master and Lord will be able to penetrate the most obscure layers of the German consciousness, a place where millions of innocent souls were taken during the twentieth century.

This space, spiritually obscure, will be touched by your Lord so that the greatest possible amount of souls may reach redemption and love.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Jesus Christ
