DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF AUGSBURG, GERMANY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Listen, Lord, to the voice of Your faithful Servant.

Today I come to cry out for the healing of the deepest wounds of the nations of this world, wounds that are reflected in the conscience of human beings, indifference and ignorance before Your Love and Your Heavenly Truth.

I cry out today so that Your Balm of Redemption permeates the deepest of the Earth and touches the interior of humanity. May this soil, thought by You to be sacred, be sacred again. May these lives, thought by You, be the salvation of all Life, converted into Your pure and original Divine Thought.

Receive, O God, these supplications.

Today, I see Your Light descend into the world. Let the hearts know how to receive You with love, so that nothing remains as it is. May everything return to You, in its purity, in its truth, in the depth of Your Creator Heart.

Amen.

The Most Chaste Saint Joseph
