MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Take My hands, My children, and let yourselves be led by My Immaculate Heart to the Origin of Life, to the Place of protection and of Peace where your essences rested before the manifestation of the Divine Thought for your lives.

Take My hands and come with Me to the Original Source of Life, where the deepest Love of your Creator Father dwells, where unity is a living reality because nothing is separate from God.

Although you have trodden a path of evolution and so often feel separate from God, today I come to show you, My children, this Original Space in a time in which there is no past nor future, but only the eternal present in the Heart of your Creator Father.

There, unity is maintained and essences remain safeguarded with their original principles.

Lakes of Light, Fountains of Peace are your true dwellings. There are no forms, only colors, sounds and vibrations. Although the essences resound in their own note, unity manifests itself through melodies that form unique music, which is the song of God, the song of life's manifestation.

Let your ears hear and let your souls remember this Space of protection in the Womb of Creation. There, My children, where the Feminine Energy protects you, where the truth of what you are makes you pure, there is nothing corrupt, there are no stains, there is no pain, only peace and unity with the Creator.

Let your hearts live the experience of being with Me there, because a part of your consciousness has never left the Fountain of God.

This space that I show to your heart today is the connection with the Divine, this part of your consciousnesses that dwells there, and that will always allow you to return to God and not lose unity with the Father. It is the magnet that attracts you to the Origin, the purity that makes you return to the truth of your existence.

Today, My children, receive the Grace of being in God, of being in Peace, of being in My Immaculate Heart, and I, being in you, show you oneness in life.

May the celestial melody resound in your hearts and rekindle the hope to return to the Source, rekindle the momentum to be pure and to let yourselves purify and renew, so that someday you may find the truth about yourselves again; a truth that is prior to all existence, prior to planets and suns, prior to material life, both in Heaven and on Earth; a truth that dwells in unity with the Divine Consciousness.

My Grace touches you today, your Divine Origin blesses you and thus, I heal you and love you, renewing your commitments with God so that, after knowing that there is an Origin that waits for

you, you can make this superior reality known to the world.

I love you, My children, and that is why I am here.

I embrace you and have all of you in My Immaculate Heart.

Your Mother Mary, Rose of Peace
