Daily Message received during the journey from Frankfurt, Germany, to Amsterdam, Netherlands, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

On this day, companions, your Master prepares Himself, in introspection and in prayer, to be able to carry forward the important moment of liberation of the Netherlands.

For this reason, the great angelic hosts also prepare themselves to take forward the Will of their Master and Lord in order to generate a spiritual renovation and path of redemption for all the souls that are miserable, in urgent need My Divine Mercy.

Therefore, this is the time in which the Universe of Love and Wisdom approaches humanity to grant the consciences a time of reflection, of penance and of redemption.

It is this Universe of Love, very unknown by humankind, which will allow spiritual miracles to happen within the souls that most need help and forgiveness.

However, this Christic work which will happen in the Netherlands will bear its inner fruits over time, when the souls manage to reconcile themselves with God and to see the Light of the Heart of the Father again.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
