SPECIAL DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS IN THE MARIAN CENTER OF AURORA, DURING THE SECOND DAY OF THE MARATHON OF THE DIVINE MERCY

My dear hearts,

Over this time, I have poured My Graces over you and thus, silently, My Spirit has worked with your beings just like a farmer who has sown the Earth.

Dear companions, in this Hour of Mercy, I ask of you to have a strong faith so that it defeats the atavisms that separate from God the souls of the world.

My Heart thanks you for this meeting of today, because the Marathon of the Divine Mercy was gestated in your little consciousnesses, and today the fruits are already ripe in some of those who are Mine; those who still need to ripen. I guard them in the Temple of My Heart, waiting for a greater spiritual awakening.

My fountain of salvation was not only poured with victory in America during these two days, but also Europe and the Orient have been seen inside this Redeeming Grace.

I invite you to understand in My Wisdom the power of My Love for you. I will not rest, not even a day, until I may achieve what I want from you. For this I test you in the impossible things, so that you may decide in this last hour where you want to be.

My Heart is inside of you all the time that you permit Me; also it is in the Eucharist, as it is in Confession. Do not fear to see yourselves as you are, because the time of My Grace has arrived to those who only say yes to Me.

What other path will you realize other than Mine?

I find Myself day by day by your side to say to you truly what it is that I want from your lives. To many saints I have asked impossible things; now I ask of My Companions challenges and unreachable surrender.

But in all of this is My Cosmic Science, My Celestial Light; I know truly how you are, and how far you may give to Me. For this I come every day from the universe to bring you My Absolute Trust and My Holiness. The New Christs must appear for the times of chaos.

I give thanks to all the ones who pray in the world, and I hope that this Marathon of the Divine Mercy goes on a pilgrimage throughout the nations of the world, so that more souls are prepared consciously to receive Me in My Second and Glorious Coming.

I am with you. I am here for you. I am in your hearts.

Peace and Good for all.

Under the Glory of the Father, thank you for today being blessed!

Christ Jesus, the Universal King
