DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I will place My holy words in your heart so that you may know in truth Who speaks to you from Heaven.

My dears, may this day bring penitence to the proud ones; piety to those blind of themselves; compassion to those who are lost; mercy to those who do not come to Me; redemption to those who lose the path; transfiguration to those who do not transform themselves.

Pray, ony pray and pray, because the time of My Coming approaches and now I summon the flocks of the Great Pastor. Try to be humble and not to be frightened by that which you will soon see in the world. Trust your path to the One and Only God of Truth and Love. Be perseverant: I sustain you in My Redeeming Love. Proceed onto the steps that I have marked for you.

Encouragement and joy to the saddened world.

Under the Love of the Father, be blessed.

Thank you for revering My words with the heart!

Christ Jesus.
