DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Dear pilgrims of My Divine Mercy:

The Marathon of prayer is approaching in the eve of an Encounter with the Immaculate Heart of Mary. In this way the Grace of God will be pouring Itself once again through the Apparitions of the Virgin Mary.

This month of July is the merciful month and the month of August will be also because The Great Maternal Consciousnesses will be weaving with Her hands the networks of salvation. For this it will be important to arrive at the Marian Center of Aurora with a spirit of devotion and of mercy because in this way your hearts will be approaching to the source of the Piety and of the Healing of the Immaculate Heart.

The Marathon of the Divine Mercy has the purpose of motivating the hearts to an ardent praying of the Chaplet of the Divine Mercy, prayers that I Myself gave to My Former Apostle of Mercy, to your venerable Sister Faustina Kowalska.

This Marathon will leave seeds sown in the hearts that may join themselves in this important exercise of prayer because one's own state of permanent prayer during more than five continuous hours will work for itself in your beings and you will feel My Presence very near.

The important thing, My Pilgrims, will be that you offer one more time this Marathon of prayer as a sacrifice of love and of renunciation for the salvation of the souls that are consumed in the fire of hell and for the peace that must reign in these times in the heart of all of the beings of the Earth.

My Presence will be felt through prayers and canticles that you may sing to Me with love and devotion.

As My Divine Mother has said, My Children, the pilgrims will give testimony to the union that you have with Me through the praying practice of the Chaplet of the Divine Mercy. In this way My inner Ears shall be attentive when at every fifty beads the pilgrims with loud voice repeat to all of their brothers and sisters: "For the Sake of His Sorrowful Passion..." and the other children shall answer: "Have Mercy on us and on the whole world".

In this way you will enter into My Ocean of Graces that has been waiting for a long time to wash from your hearts every stain and to renew them through My Love.

To all of the pilgrims of the entire world I wish from My Paternal Spirit a good journey of prayer for the good of all this humanity.

Under the Merciful Love of God, be blessed.

Thank you for living My messages from the heart!

Christ Jesus.

Official Hymn of the Marathon of the Divine Mercy

Oh Lord Jesus!
I follow Your steps towards Heaven.
I unite my heart to Your Heart,
I walk together with You for the Plan of Love
and the souls will be liberated
from all pain.

I open my heart to God,
I listen to Your Words in devotion
I carry out the Call of Your Eternal Voice.

I Am a praying being for all Eternity,
I pray the Chaplet with the heart
and in humanity I receive Your Mercy and Pity.
Come, come, come Christ,
come to here!

Come, come Master of Love,
because together we shall live
the Marathon of Prayer,
the Marathon of Forgiveness,
the Marathon of Redemption!

Mercy,
Mercy,
Mercy!
is our eternal aspiration.

Divine Mercy
is our great mission
and in Christ we will achieve
salvation.
