DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My heart is filled with gifts and treasures for the souls; although, up to these days, few souls completely accept My Treasures.

This is why, many times I expect this spiritual and true interest to awaken in the hearts consecrated to Me.

Many times I silently see how souls prefer, through personal choice, to remain attentive to something apparently prettier and more interesting than Me.

I recognize the weight of the human condition and of the temptations, of how they act in the creatures who have not yet truly surrendered their life to God.

For this reason, certain processes of Christification are slow or simply do not occur because souls insist on experimenting in schools that no longer conform to the degree of their learning.

In this sense, My Consciousness is not speaking to you about not loving your neighbor, but rather it is speaking about not compromising your life and the evolution of your peers with your terrestrial desires and feelings.

I promised to always tell My consecrated apostles the truth, since the energy necessary to accomplish My Works cannot be wasted.

It is time to concentrate, to become aligned, and to know how to best fulfill the Project of your Master and Lord on the Earth.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
