Daily Message received in Bahia Lopez, Bariloche, Río Negro, Argentina, transmitted by Mary, Rose of Peace, to the visionary Friar Elías del Sagrado Corazón de Jesús

Never blame your consciousness when it finds the truth about your reality and your condition, including the reality or the situation of a fellow being.

Everything that is revealed and comes to light is part of the liberation of beings from all the ancient chains that imprison the consciousness.

To know oneself and others is part of the learning of Love-Wisdom and of the application of that Law.

To know about oneself, who one truly is, liberating oneself from fantasies, illusions, and deceits, is like looking at a mirror to know that the moment of redemption has come.

For this reason, nobody can feel guilty or daunted when they come to know unknown realities about themselves. It is the way of living the path of evolution transparently, rather than the path of condemnation.

Love-Wisdom is a great mystery. Who manages to access that mystery will not only learn, but will also be free of themselves, because it is through loving that peace is achieved.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
