DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children,

Just as the light of Aurora must emerge again on the surface to carry its purpose forward and to fulfill its mission, in the same way the light of Mirna Jad must emerge on the surface to fulfill its purpose and to carry forward the essence of its existence.

This is the time of the integration and the union of the inner bases among brothers and sisters so that the planetary need may be attended to, given the emergency of these times.

It is this sacred union between the Centers of Love what will allow the task to expand and respond to all needs.

The time has come to open to the changes so that everyone may experience the transformation and redemption that is offered to you by the Universe in these times.

It will be in this exercise of integration that everything will be accomplished according to Divine Thought, and that the nonmaterial treasures will come to light to fill hearts and heal wounded souls.

Watch over this fraternal union among brothers and sisters and become this pillar that the Spiritual Hierarchy needs to carry forward the Divine Plan of the Creator.

Receive this announcement with joy. It is time to confirm this inner brotherhood among beings so that you may be capable of placing the love for the Plan first, before the love for yourselves.

You have the keys to be guided towards this goal. In this inner union, you will build the bridges of light for the coming of the Great Brotherhood.

You have My maternal blessing for this.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
