DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

In any circumstance, concentrate your gaze on My Heart so that in your heart will open the eternal Fountain of My Grace. Leave the past in the past and allow that the present be the new moment for your life.

Attempt to concentrate all the time in My Presence so that you will be able to see in the path the footsteps that I am going to leave for your transformation.

Blessed are those who will be sacrificed for My Cause, working for My Father without pause and without delay, because they will be called servants of God the Most High, crystalline mirrors of My Mercy.

Now gather your being in My Arms and rest in My Peace, so that your consciousness is may restored.

Under the Love of the Father, be blessed.

Thank you for keeping My words in the heart!

Christ Jesus, the Love.
