DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

As from now, My Universal Consciousness prepares to move forward with the next stage of the Plan of Redemption and also the next assistance for humanity, through the aid that the Divine Hierarchy will provide in Argentina.

For this reason, this moment of pause and of stillness is also important for the Hierarchy, since by having a clearer and more precise overview of the spiritual situation of each nation, the Hierarchy knows which situation It will face in the next cycle.

In this sense, South America is destined to be the cradle of something new, but for this to happen through the nations which form it, the situation will demand that the Law itself, as principle and energy, cleanse and purify several aspects of the people and of the society so that humanity itself may perceive that the path it has chosen to follow is not the correct one.

And so, the Hierarchy recalculates the Plan based on the decisions humanity mistakenly takes, because the purpose of the Hierarchy is to protect and support the arising of a new humanity within the consciousness.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
