DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The support of spiritual life lies in prayer. There is no other means nor other formula to solve it.

Prayer is the direct path to find God and to live His Commandments.

In prayer, you renew your spiritual life and relive, again and again, the sense of having come here, on Earth, to fulfill a mission.

In prayer, the heart becomes peaceful and inwardly receives the help it needs to be able to take the next steps. But your heart must be open so that prayer, by itself, can do the work that it has to do.

In prayer, you will find the motive and the reason to live in God, because prayer will always clear the path for you, bringing you answers and the meaning in every new cycle.

Through prayer, you will fill life with the new, that which comes from Christ and which impels you to change and transform your life.

In prayer lies the reason to be, because it is the Word that creates and manifests all things.

In prayer, you will find the answer for every stage of your inner world.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
