MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS RECEIVED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Each one of the prayerful beings of the world know about the planetary reality and about the importance of sustaining, within the world, a pillar of light of prayer that, each day more, awakens the Love of God within hearts and dissolves the conflicts in nations and peoples.

Therefore, My children, for this Vigil of Prayer of today, I invite you to renew your efforts and especially the commitment of continuing to pray for the nations so that more spiritual miracles may continue to take place in humanity and in the lives of people.

I wish, as a Mother, that every day you may be able to penetrate the mystery that the power of prayer holds, and the physical changes that the praying word generates in planetary life, as well as in the Kingdoms of Nature.

To this day, the commitment undertaken by means of the Prayer for the Nations has allowed, miraculously, for new Light-points to be established in South America, North America, Africa and Europe; and soon in Central America and Oceania.

Thus, My children, when a prayerful commitment is undertaken and assumed by a consciousness, not only do they benefit spiritually over time, but also the planet which, as a living state of consciousness, receives an opportunity, especially the nations that have witnessed the depredation of humanity, of conflict and of chaos.

For example, with the Prayer for Peace in the Middle-East, your Celestial Mother has attained the aspiration, through the missionaries of Fraternidade, to be able to enter Lebanon and thus bring inner human relief to souls, because the next Plan of your Most Holy Mother is to establish a humanitarian and religious task for this region so that Africa, the Middle-East and Europe may be even more contemplated by the Mercy of God.

All this is possible, just as other events, because the power of prayer works and acts daily in the souls that participate and accompany the important task of praying for the nations.

When one or more souls assume this commitment with the Celestial Mother, they assume it up with the Celestial Father, and the Universe can feel the loving response from those who pray and make an effort to do it every day.

Therefore, I call you to a moment of renewal of commitment so that, even more in the world, the powerful and invincible Mercy of My Son may save humanity.

I thank you, now and always, for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
