DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Heart waits for a Love greater than hundreds of fires and, in this Fire, your Master makes souls that follow Him burn in love. The Love of My Heart penetrates all things as well as all forms.

The fire of My Heart transforms and sublimates the human fire and makes of each being a possible instrument of the Redeemer. Through the Fire of My Heart, I transfigure the human condition and elevate consciousnesses to the fire of awakening, a nonmaterial place where souls find all impulses to redeem their being.

In the Fire of My Heart is found the Center of the Will of God, and it is this creating Will that moves the Universe and allows its expansion so that all that is impure may be transmuted, and the most pure may be unveiled in the spirit of each creature.

The Fire of My Heart removes the depths of the consciousness so that within it may be deposited the Will of God and, thus, the most intimate wish of the Father may be fulfilled, that of seeing His children in Universal Love.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
