DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The primary purpose of My Heart, while returning to Argentina, will be so that souls do not lose their faith and trust in God, and that in spite of the material plane being corruptly manipulated by the hands of those who direct the nation, that prayerful hearts only place their love and their trust in the Celestial Father, because this will free many consciences from remaining imprisoned by possible social events and by human revolutions that place the spirituality and the faith of the children of God at risk.

For this reason, before everything unexpectedly appears, I will go to Argentina so that, as from August and during the next six months, you may offer your country and your population to be consecrated to My Sacred Heart again, just as Brazil was consecrated through the perseverance and the effort of the praying beings.

Thus, I will go to Argentina so that, as from the next Marathon of Divine Mercy and during six continuous months, you devotedly offer the Chaplet of Divine Mercy in Spanish, so that the rays of Grace and of the Love of God may descend upon Argentina and appease any indication of revolution and injustice in the protesting and innocent souls.

With all the Faith of My Heart, I will welcome the prayers of all the Argentines and the other sister nations.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
