DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The souls that I have chosen to accompany Me in My planetary task experience their tests in order to strengthen their commitment to God.

Thus, souls experience many transitions and challenges so that from them may be born the fortitude and the momentum of the inner Christ, an inner Light that will always guide you toward the goal so that someday you may be able to find Me.

This is the time in which every consciousness on the surface of the Earth is tested so that they may inwardly define what side they will be on before your Master and Lord returns to humanity.

In this confirmation, My Mercy may be present so that the soul that is defining itself may count on the inner support of Divine Light.

I encourage My followers to cling to the Power and the Light of the Heart of Christ in spite of their histories or their past, because God is present there and in God you will always achieve peace, even though everything is in transition and being defined.

I am with all those who say "yes."

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
