DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children,

As days go by, the special moment draws closer in which your Redeemer will place His Feet again on the sacred ground of South America and will enter one of the regions destined to be the New Earth, Argentina.

Beyond the social, political and human decadence, Argentina is a country blessed by the beauty of the Creation of God and the most precious landscapes, from Tierra del Fuego to the peaks of Jujuy, serve as immaculate and inner sites so that the Hierarchy may always be present there.

The Celestial Father knows that the majority of His children of Argentina and of all of South America are going through the first cycle of the transition of the Earth. But beyond what is done by the leaders and those responsible in the equity of the South American nations, in beloved Argentina, there are souls with great hearts that beat and are moved by the coming of the Redeemer.

It is like an inner impulse that never ends, it is a love of the Argentines that matures as time and experiences go by.

It is My ardent desire to be received once again by the love that beats in each heart of Argentina, so that the doors of Heaven may be kept open and may all be filled by the Love of the Lord, a Love that will always renew you and give you the impulse to continue forward.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
