DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SANTA MARIA, RIO GRANDE DO SUL BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, for the first time, I am wrapped in the mantle of the Argentine flag and, through this symbol, I wish to announce that My purpose for this people is still unknown to the majority of souls.

For this reason, so that souls may understand the meaning of your Master and Lord returning to Argentina in the month of August, which will be the most daring goal of all times, for in this people I will place one of My seven aspirations so that it may be fulfilled, through the adherence and the perfect union of all My servers.

This is the time for granting to the world the concretion of many miracles, as it is also the time in which humanity sees the reality that it always wanted to hide from its sight.

Argentina is a laboring and working people, a virtue that also reflected in their spiritual life with the same strength and determination.

Thus, I will make use of the inner power of the heart of the Argentines to prepare My return and, in this way, fulfill the promise in humanity that was once made for all, that I would return at the most culminating moment on Earth.

And as it is the time, and that hour is approaching, I will again visit My companions of Argentina so that the foundation of the bases of a Light-Colony of souls may be finished in South America, which in the name of many more, will fulfill the Will of God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
