MESSAGE FOR THE SPECIAL APPARITION OF JULY 16, 2019, RECEIVED IN THE CITY OF SANTA MARIA, RIO GRANDE DO SUL, BRAZIL, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The light of the mystery is revealed in this time and is born from within the Sacred Centers so that the human consciousness may receive the impulse of awakening and of cosmic reality.

It is in this way that these Sacred Centers, fruits of Creation and present in various points of the planet, are the most potent powerhouses of light that attract, to the Earth and to humanity, the Grace of being able to have the Greater Knowledge radiated by the great constellations and stars.

It is in this way, My children, that the human being again remembers, and for the memory of the origin to arrive, of who they were and the reason for having emerged from a pure and supreme Fount, Founts present in various spaces of the Universe.

Each being of this planet is a star, which had once lived an experience in some place of the Universe, but for this experience to be more enriched and so that it could bear its fruits, most of My children had to arrive on this blue planet to deepen in love and in forgiveness.

But their history will not end in this life, there is something that exists beyond the sphere of the Earth which is called "macrocosm". To there they must return, with learnings fulfilled and a mission accomplished.

The Sacred Centers are within the reach of human beings to allow them to remember all these things. For this reason, the light of the Center of Figueira is the first essence of love that, with power and fortitude, will be unveiled within the heart that opens to receive it.

Let the light of the Center of Figueira be a bridge of elevation and an impulse of transcendence for all human conditions.

From each Sacred Center will emerge, not only the light of their essences but there will also be the appearance of the Hierarchy as a member of a Higher and evolutionary Order of the entire Cosmic Universe.

It is time, children, to recognize, through these impulses, the last revealing impulses that will come to humanity to lead it toward the expansion of consciousness with the aim of someday taking on evolution, the care and the love for this planet, which is the receptacle of great and unknown Sacred Centers that God Himself created so that all of His children might be accompanied and could thus come to meet Him.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
