DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

For a soul to return to God it must receive constant impulses that inspire and guide it in its elevation in the quest for the Heart of the Father.

You will find these impulses, child, in the Living Word of your Creator, in His Gospel and in the countless instructions that He has given you through His Messengers. Feed your spirit with that which makes you search for God more. Nourish your consciousness with that which comes from the Father, for you to remember whence you came and where you have to return to.

Meditate daily on the Words of your Lord, with attention and peace in your heart, so that they enter into the depths of your human condition and from there start to transform you.

Before everything, remember your Creator, remember the Love He has for you and how He awaits your return to His dwelling.

Before everything, remember the Son of God, remember the love that He has for you and which was not only expressed on the Cross, but in all constant sacrifices that Christ makes, offering Himself as the Lamb before God to repair human faults.

Remember the Holy Spirit of God, inhabiting silently in all that you are. Allow a space for Him to be expressed. Silence your heart to listen to Him. Let the sacred that inhabits within you be able to be the true expression of your being for the world.

Live in God and emanate peace. Live in God and emanate respect, love, comprehension, charity. Let the Father demonstrate to the world that He inhabits within His children, through you.

Your Father and Friend

The Most Chaste Saint Joseph
