**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF DUSSELDORF, GERMANY,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Accompany, with your heart and spirit, the steps of your Lord through this world.

Cry out, on behalf of humanity, for the roots of corruption of human consciousness to be pulled out from the depths of beings and of the Earth. Allow the Divine Hands to plunge into the ocean of the records of humanity, to liberate and purify you, removing from the consciousness of men and women of this world, the weight that does not allow them to walk.

Beg for Grace and liberation.

Let Mercy descend upon the Earth as a transforming flow, and offer your heart so that it may be the first one to be healed and transformed by God. Because thus, child, with your own example, you will open an even greater door so that the Mercy of God may descend to the world.

Cry out and be an example of the action of Divine Mercy. Ask God to transform the world and let yourself be transformed. Ask the Father to sublimate human corruption and let Him tear out from you the corrupt roots, the ancient energies and hidden forces that hinder you from deepening your steps toward God.

Look at the world, child, and feel yourself as a mirror of it. If you transform what is inside of you, that which is outside of you will also transform.

Your Father and Friend,

The Most Chaste Saint Joseph
