DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FRANKFURT, GERMANY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Illuminate your consciousness with the Light of Wisdom that the Messengers of God bring to the world.

Awaken to the principles of Christification, living service and unconditional surrender every day.

Experience the gift of humility and the grace of silence in the light of Divine Grace and thus, My child, see the promises of God become fulfilled within you.

Live the alchemy of transformation of the consciousness in the simplicity of prayer.

See the Divine Purpose be fulfilled within you through the sincere submission of your heart to God and discover how simple it is to manifest Divine Will.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
