DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF FATIMA, PORTUGAL, TO BELO HORIZONTE, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Place your heart in the Heart of God and be grateful, child, for another cycle that is beginning. Let your spirit find renewal and peace in the impulses that descend from Heaven to guide souls into the new time.

Each day brings with itself the Graces and blessings to overcome the tests and challenges that come forward. Open your heart to perceive and receive these gifts, and understand how the Creator guides your steps and supports you so that by means of your life, other souls may find peace.

Love the path of awakening and of return to the Origin; let it be the priority of your heart.

A cycle has begun for humanity, child, in which the planetary tests will become even greater, the assaults and the temptations will grow, and you will see fall those who were not firm in Christ. But in spite of everything, calm your heart and find peace. Affirm the basis of your faith on prayer and on permanent surrender so that many may be supported in this rescue ship, which is the faith in the hearts of the children of God.

The impulses that will descend to the Earth will also be infinite, coming from the Universe of God and from His Heart. Many that have been asleep will awaken under a great impulse, and everything will have its balance.

Pray and keep your heart in God. See the tests of these times pass by with your heart firm in Christ and, in this way, you will not only find peace, but you will also be an instrument of peace for this world.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
