DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF BUDAPEST, HUNGARY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

A nation that rises in true prayer is a nation that begins to return to the Heart of God, that builds in its depth the awakening of the new life and union with the new time.

A nation that prays opens the doors for spiritual awakening, for Truth to be revealed, for its past, present and future to find meaning, and so that everything may be understood in the essence of the heart.

A nation that prays is one that approaches its Origin in unity with the Creator and allows the Kingdom of God to be upon the planet, generating merits so that other peoples may find redemption and awakening.

A nation that prays is one that attracts peace to the world, to grant hearts the possibility to learn through love and not through pain.

Therefore, children, pray for the nations, but also pray as a nation; pray on behalf of peoples, of cultures, of hearts, on behalf of the planet.

Your Father and Friend,

The Most Chaste Saint Joseph
