DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray, uniting your heart to the Heart of God because, in these times of spiritual battle, this is what beings need most.

Pray, not only formally, but pray in dialogue and confession with your Creator, with certainty that He listens attentively to your pleas. Be silent to hear the answer of God. Enter into quietude to feel His Presence and, through profound gratitude, open the doors of the world and of the hearts of human beings for Him to send His Peace.

Make your life a prayer, respecting your neighbor, being patient, being grateful for the presence of God in your brothers and sisters.

Make your life a prayer, serving and loving those who are around you and those who are far from you.

Do not fear to cross the threshold of a new time. Let this time live within you, uniting yourself to God forever.

Your Father and Friend,

The Most Chaste Saint Joseph
