DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF AUGSBURG, GERMANY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

A heart that has repented many times, in spite of the number of errors committed, is a heart that hopes to see God within itself and be able to find Him as the only and absolute way out for its life.

A heart that has repented of its faults is a heart that, in spite of the seriousness of its errors, opens inwardly to the Mercy of God.

A prideful, arrogant and small-minded heart could never achieve this Grace nor the revelation of these Mysteries of the Love of God.

It is the repented hearts that I seek in this time, hearts capable of recognizing their faults, in spite of their continuing to fall or to suffer.

In today's world there are many hearts that could repent in order to achieve the Pity of God, and thus find again the meaning of being in this time and on this planet.

My adversary works to satisfy the prideful, arrogant and small-minded hearts, but when a heart reaches clarity of its spiritual situation, it becomes a rescuable heart capable of changing its story overnight.

It is those hearts that I am drawing closer so that they may participate in the time of the Mercy of God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
