**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

To take a step in your spiritual consecration, children, you must love God and His Plan above all things. If there is no love, there is no surrender, no renunciation, no emptiness of self, no elevation of consciousness.

To love God more, you must seek God more, concentrate more on being with Him, in His Presence, under His Sight, within His Heart. And this can be done in prayer, but also in contact with His word. This is done with silence but also with confession.

There are many paths for you to be in the Presence of your Father, but for all of them you must strive, want, search, assume a commitment with yourselves and with humanity, and provide the service of being in God so that the entire humanity may achieve peace.

Superficialities of life can be defeated with love, because the more you love God, the more you will replace what is superfluous with His Presence. However, children, as everything in life, you must start, take steps and persevere on that path. Effort will bring you faith, faith will bring you love and love will bring you the wisdom that you need to go through in these times.

You have My blessing for that.

Your Father and Friend,

The Most Chaste Saint Joseph
