DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Welcome into your heart all the revelations of God and let your consciousness expand to other planes and realities.

Receive these impulse as if they were the last and make an inner synthesis of all the revelations that have already been announced throughout time.

Nurture your consciousness with sacred knowledge and make your life even simpler so that the Treasures of God may reflect in your actions, and every space and place may be transformed and elevated according to Divine Will.

Thus, let the revelations of God bring you closer to His Divine Simplicity so that sufficient humility may be incarnated in you to help you understand and experience the forms that come from the Universe and give impulse to cosmic life.

Let spirits be ennobled by all the knowledge received, as from the Supreme Source, sacred impulses are emanated that will simply cause the consciousness of humanity to elevate in plane.

Any revelation is always full of the Love of God.

I thank you for responding to My call and for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
