DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Brothers and sisters,

Remember that I Am your King of Peace and that through My Peace you will encounter the path of harmony that you so much seek.

Today I invite you to be constant and patient for the path of surrender and of emptiness of oneself that you have decided to live with Me. As good disciples I reunite you to remind you that every day you must forgive and work so that this loving forgiveness is radiated to the entire world because it will be through you that I will manage to realize My Plans.

I remind you of the importance of also working for the deep unity between your hearts. In this way you will allow that the new celestial designs be manifested in those who need a warm word of comfort.

I intend to prepare you as simple mediators of prayer and of charity. There are many souls that need the same daily impulse that I deposit in you to be able to take the steps towards the Temple of My Sacred Heart.

For this I also remind you to live every day in the essence of humility so that the proud and vain life may be dispelled as the mist at dawn. I ask you to be one with Me because only through Me will you be able to be one with your peers. Only encourage yourselves to be corrected and to the live transformation of your hearts because you have already said yes to Me.

Under the Love of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
