MESSAGE FOR THE APPARITION IN THE CITY OF VITORIA, ESPIRITO SANTO, BRAZIL, TRANSMITTED BY THE MOST HOLY QUEEN OF THE ROSARY, THE VIRGIN MARY TO THE VISIONARY FRIAR ELÍAS

Dear children of Mine:

Today we are already one month from the consecration of the entire world to My Immaculate Heart.

With this most important universal and Marian purpose I ask you that from today and until the 13th day of October of 2013, the anniversary of My apparitions in Fatima, Portugal, that your hearts pray seven Our Father, seven Glory, and seven Hail Mary's, daily. In this way this sacred offering of prayer will reach the Thrones of God, like the most beautiful flowers donated by His beloved children.

Dear children, I ask that you do not fear. I Am the same of Nazareth, I am the One who seeks the lost children, those who were separated from the communion with My Son and that now it will be necessary that they return soon to the Heart of God.

I am Your Mother and Queen of the Rosary, I am the One who wants to remind you that by the Holy Rosary, prayed with the heart, a universal war that destroyed the peace and the innocence in all people was stopped, by the pure and simple sacrifice by the three little children in Fatima.

Now, before the eve of the consecration of the world to My Immaculate Heart, I ask you to be pure, simple and innocent, because the world has lost this sacred symbol.

I come from Heaven to unite what the religions and beliefs have separated for centuries. I come to recognize the Church of My Son, that which He founded in the heart of all the Christian and non-Christian beings. I Am the Star of Light that shines for all Her children. In My Maternal Heart there is no religion, but there exists union, mercy, and hope. I come to demonstrate to the world that I Am not only the Queen of Peace, but also that I am the Mother of the whole world.

I lovingly ask that you pray for the priests, so that they may carry out the designs that My Son has entrusted them with. I ask that you pray for the Holy Pope and for all the representatives of the world religions, so that the Holy Ecumenism that was taught by My Son may awaken in the heart of all.

Beloved children, I ask of all the religious people, believers, devotees, pilgrims and atheists, that they listen to My call of Love; I do not come to the world to evangelize. I come to the world to unite that which is separated in the within all the beings.

Beloved children, I only pray for you so that in this time humanity considers Jesus Christ, the Savior, as the Christ of the whole humanity, because when He returns to this world, He will show who He was in truth, and is, for this universal time.

Little children, remain in My Heart, I will never abandon you, I will always accompany you, because I love you and protect you.

I want to thank the loving and abnegated effort of all those who pray for allowing that My Work in America be accomplished according to My celestial designs.

I thank all of you for uniting yourselves to My Maternal Heart!

Who loves you now and always,

Mary, the Most Holy Queen of the Rosary of Peace
