WEEKLY MESSAGE TRANSMITTED BY MARY, QUEEN OF PEACE, IN THE NUCLEUS OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS

My dear children:

With the blessing of Heaven and the bliss of the Holy Spirit, I descend from Heaven to this sacred place of prayer and of Adoration to the Eucharistic Body of My Son Jesus.

For this answer to the call of perpetual Adoration, I thank you; the Lord rejoices at the immediate effort of the little beings, and of the hearts of the Earth.

But now is the moment that this exercise of silence and of prayer expands itself to the lives that still do not practice it as something sacred.

The Lord of Heaven waits for at least the greater part of this group, that corresponds to the region of this great City of Sao Paulo, to realize once a week the exercise of Adoration; an exercise that will have as spiritual and divine goal that the city of Sao Paulo is consecrated to the Immaculate Heart of Mary.

Also so that the City of Sao Paulo may venerate and consider the Adoration to Jesus Christ as an act of reparation for the offenses that He receives daily from the cities of the entire world; so that the City of Sao Paulo may receive the Grace of Piety and of Mercy, so that at least a small part of this City may be a point of light in the darkness.

If the hearts are willing to answer for some time to My call, the plans for the entire Brazil will change, and the souls will receive some more time of peace.

When I asked you to construct this place of Prayer and Adoration it was, and it is today, because of the great spiritual need of light and of conversion that there exists in the souls that do not see, not even for a moment, the God of Love and of Mercy.

I Am Your Mediator Mother, I Am the Sun of the Universe that brings you the light that you need to be able to change the course of your lives. The Adoration of My Son will help you to concentrate your lives in the Heart of Jesus and you will recognize that, in this critical time, it will be necessary to act and to be through Jesus.

Dear children, today Heaven thanks you for your attention and love, since the Sacred image of the Mother of the Divine Conception of the Trinity will be the praying mirror of peace that will be reflected upon all who pass through this place; and the House of Adoration to the Most Holy will be your temple of recollection in order for you to meet with Jesus Christ.

I thank you for attending to My spiritual calls of the end of time.

I bless the sick ones, the lonely ones, the seekers of God, and the devotees.

Your Mother Mary, Queen of Peace
