DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At this time, I come to meet my most fragile sheep so that they may be in My Arms and can strengthen and move ahead.

In My Arms, I take My sheep toward the stable of My Heart, where they will not fear the storm nor the darkness, but in the stable of My Heart they will feel the warmth of My Love and the tenderness of My Soul.

This is the reason why I am present here among those who are Mine because, My House, which is your House, must be spiritually rebuilt so that souls can continue to feel the inner security of being here, beyond any circumstance or any situation.

And I will come here, to My House, as many times as necessary, because your Lord also needs to find rest and repose in the hearts that follow Him and that accept Him as their Master.

True love is reciprocal. Give, all the time, this love to your brothers and sisters as I taught you, so that the love that is above all things is able to work and operate through you in understanding, acceptance and comprehension of your neighbor, of the imperfect, of the fragile spirit, day by day.

Thus, you will build with Me many more stables where My Heart will be present to help all My sheep.

I thank you for keeping My words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
