**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Bring today My Luminous and Miraculous Face into your lives. Stay under the Source of My Maternal Love so that the Divine Word may become flesh and life in you, as It became Life in Christ.

To live from this Original Source of Purity, My little ones, you must faithfully practice humility and peace. If there is no peace, there is no humility in the hearts. For this reason today I invite you to exercise the gift of humility for love of all My other children that offend God with their arrogance and forget Him.

Exercise humility to be able to swim in My ocean of peace, and thus the world will be able to be saved even more, and some more hearts may be converted and redeemed. For this purpose,

My dear children, remember the humility of Our Lord Christ, when He surrendered Himself out of love for you and, in complete trust, He accepted to live the martyrdom of the Passion for the liberation of the world.

Behold, My little ones, that the Savior of hearts is returning and will first touch the doors of the hearts. For this anticipated moment, you must be prepared in prayer and in vigil. The hours of the eternal sleep are now ending; it is necessary, children, to be awake for that which will come from the Heights.

But first it is time to exercise humility with the heart. You will be truly humble when you accept to surrender yourself out of love for others, when you do not fear being judged, and when you are able to live from the Divine Faith of the Lord despite the indifferences of the other hearts that still do not live in God. All that you may do, you will do for love and for the salvation of another brother or sister; thus you will begin to follow the path of humility.

You must aspire to not know who you are in order to open yourself in donation and surrender to others, without wanting anything for yourself. Through this pathway you will be seeing, little by little, the spark of the Will of the Lord.

Carry My Merciful Love in your hearts today, and remember, My little ones, that we are now at the time of the last preparation. With this aim and for this mission, I appear daily to you.

I await from the Heavens to find you in prayer each day, before dawn. Let us keep vigil with love and for the love of Christ.

May each child give with consciousness that which the Lord can receive as an offering from the heart. Give yourself truly with effort and love.

Let us pray.

In the Peace of the Kingdom of the Heavens,

Mary, Mother of the Divine Conception of the Trinity
