DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Place your achievements, aspirations and renunciations within My Garden. Cover this Garden with the greatest affection of your soul and, detaching yourself of everything, open yourself to live and practice My Will.

Completely surrender to Me to the point that you become nothing and, in that nothingness, in that emptiness and absolute resignation, you have the Grace that all My Projects may be deposited in you.

I know that it is not easy to abandon your own will, but make this opportunity that I give you the possibility of accomplishing My wishes and aspirations, just as many have accomplished them in other times.

Now it is time to watch your own consciousness, to avoid it from placing you into difficulties.

If you live with gratitude, that which I ask of you and need, you will not have reasons to suffer from anything. Suffering, anguish and desolation are consequences of a life that does not accept from the heart the Will of God, and takes years to realize that the Will of the Father must be accomplished.

Decide to give great steps with obedience and resignation, and thus you will always find and discover the sense of serving Me in each moment.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
