**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Stand up, breaking the barriers and difficulties. The Heart of Aurora is the one that causes its light to pulse amidst the darkness and rises like the sun, breaking the darkness of the night.

Stand up, raising your voice to proclaim the divine triumph within you. The Heart of Aurora is that which holds the Purpose of God for humanity and heals beings, repeatedly reminding them of their origin, until Divine Will is fulfilled.

Stand up, throwing out of your heart that which carries you into the abyss, that which causes you to retreat, to desist. Raise a cry for help, raise a cry of triumph and of faith, so that your voice may be heard to the ends of the Universe, in the Heart of the Creation of God. The Heart of Aurora is the one that rises up and knows how to be reborn from the ashes and to make all those who say "yes" be reborn with it.

Never desist. Never retreat. Let the resistances and the human degeneration break, but not the fortitude of the essence that keeps you standing and causes you to walk toward God.

You have My blessing to advance.

Your Father and Friend,

The Most Chaste Saint Joseph
