DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I will go to meet My children and companions of Argentina so that they may heal the wounds of the past, which still remain open in many hearts.

But I will also go to meet the smallest and bravest children, who in their innocence offer God their sacrifices to compensate for the errors of the adults.

Not all children are glad to be here, in this end time of the transition.

Many of them offer themselves to God for those hearts who still do not repent and do not ask for forgiveness from God.

My Heart will go to Argentina for the most inoffensive and small children, because they are the future of the nation and cannot lose the purity that they brought here as a service of love for humanity, which has lost its innocence and purity.

In this time, in Argentina there exist children who are great consciousnesses that came in this cycle of humanity to serve and to help the planet; so that the values of faith, of family, of unity and of the good do not fade away from the consciousness of the human race, beyond the events and the situations that humanity may experience as a learning process.

The children of Argentina and of the whole world live for the adults to love them and learn to take care of them and safeguard them so that through the unity of family, the smallest ones may have the opportunity to grow and to express the values and the virtues that will help in the renewal of the planet.

For this reason, My Sacred Heart will go to Argentina for the smallest ones, the little and innocent ones who come from the stars to bring and to express a message of love for those who have forgotten it.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
