DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the most imperfect souls, I renew all things, in all times, because for Me there is no impediment within imperfection.

As the great Potter of your lives, I mold your souls and consciousnesses so that, from such apparent imperfection, a new being may be born, a new design of God.

This is how all is transformed, as well as how your hearts may be transformed.

On this path of taking imperfection along with yourselves, you may realize that, in some moment, you will be liberated from the chains that you might be carrying on your hands and feet. Chains of old ways of conduct which do not create the experience of love.

For this reason, the transformation of your imperfection will be gradual and will keep changing over time, as long as you keep your hearts and minds open to transformation.

Feel truly accompanied and protected in this time, in which you will learn to discover and to know yourselves so that the spiritual beauty each one holds may finally be at the service of love and for others.

Continue allowing Me to be your Potter, and may I make a new pot from the old clay.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
